THIS COMIC BOOK READS FROM RIGHT TO LEFT

In keeping with the **ORIGINAL JAPANESE FORMAT**, this comic book reads from **RIGHT** to **LEFT**—so action, sound effects, and word balloons are completely reversed compared with traditional Western comics. This preserves the orientation of the original artwork.

Check out the diagram to the left to see how manga is properly read. Have fun!

POKÉMON

POKÉMON THE MOVIE

I Choose you!

THIS ISN'T
HOW I
EXPECTED
TO START MY
JOURNEY...

HMM...
WELL...

...WHY
DOESN'T
THIS
PIKACHU
LIKE ITS
POKÉ
BALL?

PRO-
FESSOR
OAK...

...PIKACHU
MIGHT BE
AFRAID OF THE
POKÉ BALL...
OR FIND IT TOO
CRAMPED.

THE REASON
IS PROBABLY
DIFFERENT
FOR EACH
POKÉMON.
BUT I
SUSPECT...

THERE'S
A LOT WE
STILL DON'T
KNOW ABOUT
POKÉMON.

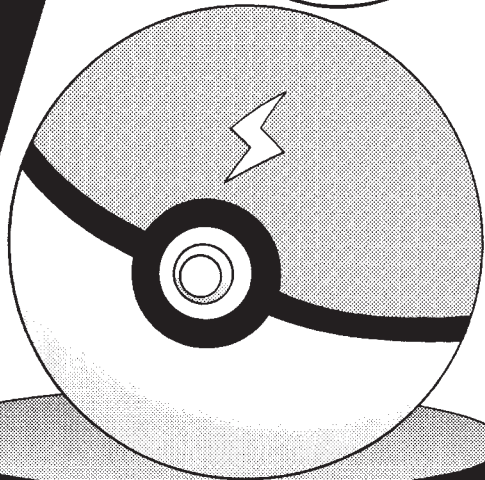

OR IT COULD
SIMPLY BE
THAT IT'S
ESPECIALLY
CURIOUS AND
WANTS TO
EXPERIENCE
THE WORLD
ON ITS OWN
TWO FEET.

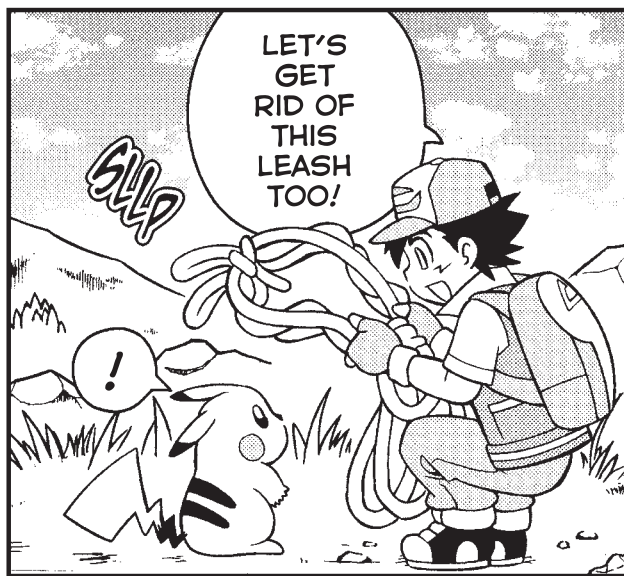

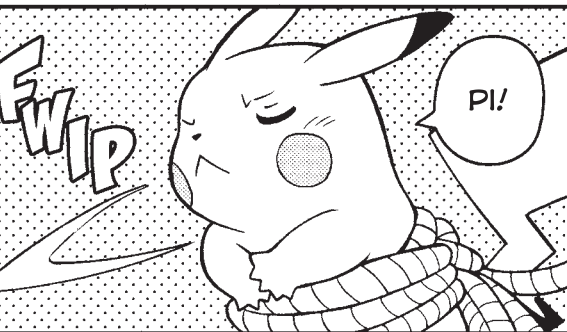

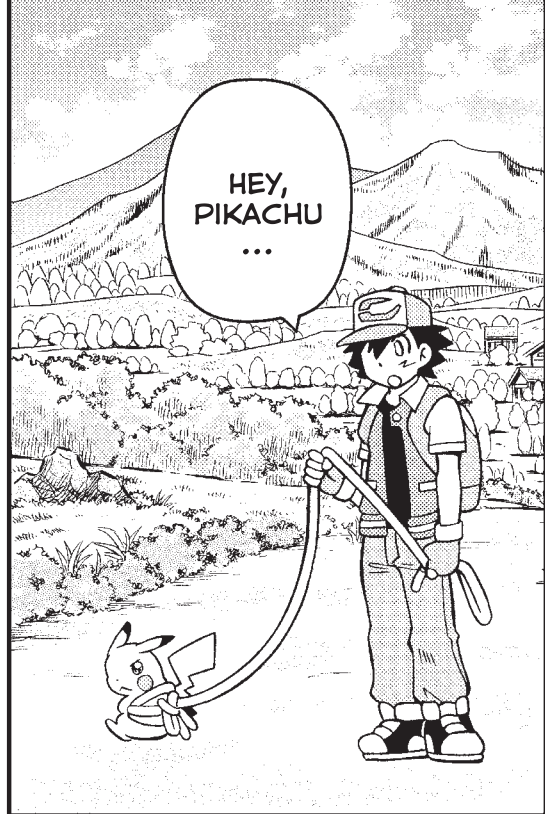

OR
PERHAPS
IT HAS AN
AVERSION
TO THE
POKÉ
BALL...

...BECAUSE OF
SOMETHING
IN ITS PAST.

...AND
ONLY THAT
POKÉMON
KNOWS WHY.

REGARDLESS,
SOME
POKÉMON
JUST DON'T
LIKE POKÉ
BALLS...

POKÉMON ADVENTURES
